Message from President Kate Fix

Happy Thanksgiving Master Gardeners, may we always give thanks for everything and be grateful for all the good work we do for others. I am moved to share some words from the earliest national Thanksgiving proclamations, "to give wisdom and unanimity to our public councils, to cement all our citizens in the bonds of affection, and to inspire them with an earnest regard for the national honor and interest, to enable them to improve the days of prosperity by every good work, and to be lovers of peace and tranquility."

News from the November 8 NEWMG Board meeting

The unapproved notes from the November 8, 2023 NEWMG Board meeting are attached. The Board approved Edie Brandt as Secretary for 2024-2025. The Board continues to seek a Vice President for 2024; you may nominate yourself or another to President Kate Fix.

President's Message

Thank you to all who participated in the Master Gardeners Open Houses this summer. By sharing and showing off our beautiful gardens, we build a stronger community of volunteers. We enjoy each other's partnership in making the world a better place. We are stewards of the planet.

As the Harvest Happy Hour (see below) approaches, it is time to ask how our gardens performed. What would we do differently? What are our thoughts for next year? Who would we like to see on our Board in 2024? I look forward to our coming together and sharing our garden stories.

Please put these dates on your calendar as a reminder and plan to attend. Best always, Kate Fix

Update from Brown County Seed Saving

Message from the President and Past President

Thank you all for your participation in the NEWMG Plant Sale. The Sale was a great success; we exceeded total 2022 sales on the first day! Volunteer participation was the real reason for success. As you return to your gardens, we wish you a joyful gardening season. Please share on Facebook your garden learnings, issues and success.

Did anyone say free plants?

NEWMGs are welcome to take any leftover plants from the plant sale (mostly tomato plants remain). The free plants are on the pallets, on the north side of the greenhouse.

President Kate Fix's Message

Celebrate Earth Day on April 22! The world loves good deed doers and Master Gardeners support environmental protection. Why not walk your neighborhood during the week, April 22-29 and pick up trash remaining in the street from winter's wrath? Mother Earth will welcome our help.

2023 Plant Sale

The sale will be held 9 am-5 pm, May 11; 9 am-5 pm, May 12, and 9 am-2 pm, May 13. Volunteer signup [here](#). For more information, contact [Eileen Rueden](#), 920-470-5562.

We will sell plants grown in our greenhouse and donated plants from members. We are accepting donations of "bare root plants." They may be donated at the STEM Center April 24-May 1. With the concern of jumping worms, remember to wash off all bare plant roots before donating them. There will be a self-serve-repotting table near our greenhouse. Please see the attached handout on jumping worms.

We will also sell gardening books and washed tools and garden ornaments during the Plant Sale.

Please deposit them April 25-May 1 in the tote under the back stairs near the greenhouse.

New benefit and bus tour for NEWMGs!

Green Bay Nursery is offering a 10% discount for all purchases by NEWMGA members. Members must show a nametag at checkout and discounts will not apply to items offered in other promotions.

Save the date for the June 16, 7:15 am-6 pm Horticulture Bus Tour! The \$95 reservation includes tours of Sisson's Peony Garden, Vines and Rushes, Jung Seed Company, Kelley's Creamery and Park Ridge Organics; bus transportation; lunch; wine tasting; ice cream break; and gratuities. NEWMGs and their friends will receive priority treatment if registered by May 5. Please send your payment check payable to NEWMG and mail to Eileen Rueden, PO Box 200, Forest Junction, WI 54123. Contact [Eileen Rueden](#), 920-470-5562, with any questions.

News from Brown County Seed Library

Like to write? The Brown County Seed Library seeks a volunteer to write a short article (one or two paragraphs) on Gaillardia—how to grow, when it blooms, and a little history of it. Also, consider sharing a seasonal recipe. And, stay posted for a June seed packing event.

NEWMG seeking new Board members!

According to our bylaws, five Board members' terms will end on Dec. 31, 2022. Two of the five cannot serve again. And, our current Board is on the low end of what the bylaws permit. In a nutshell, we need volunteers to serve on the Board! The term is three years; the Board meets the second Wednesday of odd numbered months at 6 pm. Please submit nominees (and, you may nominate yourself) to [Eileen Ruden](#), 920-470-5562, by September 18. New Board members will be approved at the October 8 Annual Meeting.

Questions about Master Gardeners transition from state to local administration?

As we continue to live with the changes of Master Gardening from a state association with local affiliates to a more independent local organization, your questions may be forwarded to [Eben](#). He will group questions, seek answers, and report to all at the Annual Meeting on Oct. 8.

Volunteer needs—staffing an NEWMG table at community events

Sat., Sept. 24; **Fall Family Fest** at Green Bay Botanical Garden, 9 am-4 pm

Wed., Oct. 5.; **Senior Life Expo** at the KROC Center from 8:30 am – 12:30 pm

Message from President Eileen Rueden

After viewing beautiful gardens at the Open Houses, it is hard to believe that this year has been extremely challenging for our association. We have weathered the changes from the UW-Extension and we are now a self-managed organization. A draft of our revised by-laws will be presented at the September board meeting, and a copy will go out to all members shortly after September 14. The annual membership meeting on Saturday, October 8 will be a great opportunity for you to find out more about the changes and get any of your questions answered.
